# ● **VOLUNTEERING: a way to change the world and...your life**

1. **Sanganigwa Children's Home gives shelter to orphans and it is a home for all the children in the region.**

2. **The JGI-Italy has been supporting the structure since 1998 (accommodation, food, medical assistance, education, employees' salaries, building and renovation, vocational training and children's rights).**

**3. Sanganiwa has recently turned into a modern centre of family homes which have recently switched to the use of renewable energy making it into a model ECO village for the entire area.**

**4. It is essential to contribute in terms of volunteering because, thanks to it, the Institute can:**

- support Tanzanian orphans and abandoned children;**
- involve more and more young people all over the world.**

# HOW TO REACH SANGANIGWA

Flights to Dar Es Salaam are operated by many airlines. From Dar Es Salaam it is possible to reach Kigoma by daily flights operated by Air Tanzania, other companies are also available. At Kigoma airport (10 minutes away from the city) it is necessary to catch a taxi straight to Sanganigwa Children's Home. Adventurous people may prefer catching the bus from Dar Es Salaam to Kigoma, while the extremely adventurous people will chose travelling by train.

# **PLACES OF INTEREST**

## **KIGOMA**

**Kigoma is a little city situated in the western part of Tanzania. It is located on the beautiful shores of the lake Tanganyika. It's one of the largest lakes in Africa, and even of the whole world, second only to Lake Victoria.**

## **COMBE STREAM NATIONAL PARK**

**This is one of the smallest parks of all Tanzania, situated near Lake Tanganyika. This park will leave you speechless thanks to its beauty and biodiversity. It is known worldwide for the community of chimps studied by dr Jane Goodall.**

### **Livingstone Museum of Kigoma**

**If you want to take a dive into history, you can visit the old town of Ujiji, easily reachable by urban minibus. Ujiji is the oldest town of the Kigoma Region. It's the site where the explorers dr Livingstone and dr Stanley met, and uttered the famous words "Dr Livingstone, I presume?".**

An aerial photograph of a lush, green forest. A dark, winding river or stream flows through the dense canopy, creating a series of loops and curves. The forest is a vibrant green, and the water is a deep, dark blue. The overall scene is a dense, natural landscape.

***GET INTO THE WILD, LIVE NATURE!***

An aerial photograph of a lush green forest. A dark, winding river or stream flows through the center of the image, creating a series of loops and meanders. The forest is dense and vibrant green, with the river providing a stark contrast in color and texture.
