The Jane Goodall Institute Italia main project supports **Sanganigwa Children's Home** in **Tanzania** and offers a welcoming **Guest Eco-House for Volunteers**.

The Guest House is located in Kigoma, a beautiful region of Tanzania situated at the **Lake Tanganyika**. Only 22 km away is **the Gombe National Park**, where **Jane Goodall** started her first behavioral observations of **chimpanzees** and where today visitors can observe the chimpanzees in the wild.

The Volunteer's Eco-House hosts **3 double rooms** and **2 rooms**, each with **4 beds** and with a simple bathroom. It serves a hearty breakfast and on request, meals and lunches. Moreover, the house is equipped with wireless **internet** connection.

Further services are **transfer** to and from the Kigoma airport and provides **information** for excursions all around Kigoma.

The minimum donation for overnight stay (breakfast included) is **20 US \$ per person**. Donations will contribute to the maintenance of children homes.
